AIRSAN FILM-COR ADHESIVE

AIR FILTER MAINTENANCE EQUIPMENT.

AIRSAN FILM-COR ADHESIVE

AEROSOL AIR FILTER ADHESIVE
 Simple to Apply - Nothing Else to Buy

AIRSAN Film-Cor recharging adhesive, nearly odorless, high flashpoint, with rapid wetting characteristics.

DIRECTIONS: Apply liberal amounts of Film-Cor adhesive to both sides of the metal filter. Use the Red Tracer Dye to check for full coverage.

AIRSAN Film-Cor is available in:

Individual Aerosol cans (12 ounces)

Case Aerosol cans (12-12 ounce cans)

1-Gallon containers

Airsan P/N: 900684

Airsan P/N: 900672

Airsan P/N: 900685

Airsan Film-Cor MSDS available upon request
